Tampa Bay Newspapers' readers selected Da Sesto Italiano Ristorante e Vino as the county's Best Italian restaurant.

"It's the most authentic Italian restaurant you will encounter," said Sesto Ramadori, the chef and owner of the establishment.

At Da Sesto Italiano Ristorante e Vino, guests enjoy the finest and freshest Italian dishes, served in a warm, inviting atmosphere. For a healthy lunch, sumptuous fine dinner, take-out or even catering, Da Sesto Italiano offers a delicious variety of great tasting authentic Italian cuisine.

The menu boasts custom antipastos, fresh pasta, panini, risoto, veal, chicken, steak, seafood, dessert and Italian coffee. Chef Da Sesto offers only the freshest pastas made by the local Florida Pasta Company! To complete an authentic Italian feast, choose a special wine from the restaurant's wide selection.

Ramadori thanks all who have made this award possible. He invites both new and old customers to come try his new menus and excellent service. "Grazie mille e buon appetito!"
